- 42. Plums
- 43. Recruiters
- 44. Racial profiling

SHORT ANSWER QUESTIONS:

- Write a three-paragraph letter to a local politician about the dangers of racial profiling. Why is racial profiling dangerous? What harm does it cause? Give examples of racial profiling in our country.
- If someone were to write a story in which you were a character, and could only use INDIRECT characterization to describe you, what would they write? Compose a passage that you think accurately captures your personality through indirect characterization.
- Make a list of ten things that you think an individual should believe in as an American. Briefly explain FIVE of these things.
