

Writing an "Acrostic" poem

Directions

Step 1-- Think of a topic you want to write about. It could be a person, a place, or a thing (a noun).

Step 2---Write the letters that spell the word of your "topic" on the left- but vertically (from top to bottom). ↓

Step 3--Then, write a word, a phrase, or sentence that starts with each letter. Each letter will have its own line. The word or phrase should describe your topic.

Step 4-- Draw a picture to match your poem. Here an example:

My topic is "Cats."

Cuddly and comfy

Adorable, agile, and alert!

Terrifying

Softly purring
