

## Reading

Monday May 25	Tues May 26	Wed May 27	Thurs May 28	Fri May 29	Student time on homework: <b>Minimum 90 minutes</b>	Teacher Student teacher contact																	
<p>No school Today</p> <p>Memorial Day</p> 	<p><b><u>Reading</u></b></p> <p>1—Use the chart to fill in facts about your animal. You may 2 sheets.</p> <p>This is the example sheet:</p> <table border="1" data-bbox="338 979 743 1300"> <thead> <tr> <th colspan="3" style="text-align: center;">Giraffe</th> </tr> <tr> <th>Has</th> <th>Can</th> <th>Is</th> </tr> </thead> <tbody> <tr> <td>A long neck</td> <td>Reach high</td> <td>A herbivore</td> </tr> <tr> <td>Long legs</td> <td>things that are high</td> <td rowspan="2">A mammal</td> </tr> <tr> <td>Little ears</td> <td></td> </tr> </tbody> </table>	Giraffe			Has	Can	Is	A long neck	Reach high	A herbivore	Long legs	things that are high	A mammal	Little ears		<p><b><u>Reading</u></b></p> <p>Today...</p> <p>Continue filling in your chart.</p> <p>Today, log on to one of the websites to research facts (or find more facts) about your animal.</p> <p>Your job is to either read about your animal, or if there is a video about your animal, watch and listen to it very attentively (listen closely).</p> <p>Reread the facts you find. If you find a video about your animal, watch it a few times.</p>	<p>Today during Zoom, you will share new facts you have found (not the ones you already know)</p> <p>Everyone will share 2 facts, or details about their animal.</p> <p>1-Continue to read and fill in as much information about your animal—using the chart With the 3 categories:</p> <table border="1" data-bbox="1087 1036 1346 1073"> <tr> <td>Have</td> <td>Can</td> <td>Are</td> </tr> </table>	Have	Can	Are	<p>1-You will begin your table of contents. Use the paper I will email you.</p> <p>2-Start thinking about text features you might consider adding to your book.</p>		<p>Contact through Zoom Virtual meetings -in the mornings between 10:00-11:30</p> <p>During the week-- emails, and phone calls.</p>
Giraffe																							
Has	Can	Is																					
A long neck	Reach high	A herbivore																					
Long legs	things that are high	A mammal																					
Little ears																							
Have	Can	Are																					

Log on to Raz kids.  
Most of you (second graders) should see a book or books that relate to your animal. Look un "My Assignments."

Start thinking about a new **Table of Contents** for your book.

Here is a suggestion:

1-What is a \_\_\_?

2-What can a \_\_\_do?

3-What does a \_\_\_have?

**Word Work**

Monday May 25	Tues May 26	Wed May 27	Thurs May 28	Fri May 29	Student time on homework <u>Minimum 90 minutes</u> per day <u>(primary grades)</u>	Teacher Student teacher contact
<p><u>Word work:</u> No school today</p>	<p><u>Word work</u> Read the "physical Properties" vocabulary words</p> <p>This is the picture you will see: ↓</p>	<p><u>Word Work</u> Continue reading the words... <b>(Physical Properties)</b></p> <p><b>You will need these to complete the science sheets.</b></p>	<p><u>Word Work</u> Today for Word work You will read the <b>Picture word cards</b> to study the words. These words are</p>	<p><u>Word Work</u> *Write 2 synonyms  *Write 2 proper nouns. *Write 2 antonyms</p>		<p>Contact through Zoom Virtual meetings -in the mornings between 10:00-11:30</p>

	<p>Physical properties</p> <p>Texture </p>   <p>Read the words. You will use these words to complete the science sheets today.</p>		<p><b>"antonyms"</b> are words that are "opposites."</p> <p><u>Must do activity:</u> Make 4 "antonyms" word cards. Use words you know. Example:</p> <div style="border: 1px solid black; padding: 5px; display: inline-block;">Hot--cold</div> <p>.....</p>	<p>Example:</p> <p>2 synonyms: <div style="border: 1px solid black; padding: 2px;">Big large</div></p> <p>2 proper nouns <div style="border: 1px solid black; padding: 2px;">Chicago Kate</div></p> <p>2 antonyms <div style="border: 1px solid black; padding: 2px;">Happy sad</div></p>	<p>During the week-- emails, and phone calls.</p>

### Science & Social Studies

Monday May 25	Tues May 26	Wed May 27	Thurs May 28	Fri May 29	Student time on homework <u>Minimum</u> <b>90 minutes</b> per day <b>(primary grades)</b>	Teacher Student teacher contact
No school today	<p><b><u>Today in science:</u></b></p> <p>Read the list of "Physical properties" vocabulary. Read the words carefully, and look at the pictures.</p>	<p><b><u>Today in Science</u></b></p> <p>Reread the story of <i>The Three Little Pigs</i>.</p>	<p><b><u>Today in Science</u></b></p> <div style="text-align: center;"></div>	<p><b><u>Today in social studies:</u></b></p> <p>You will continue</p>		<p>Contact through Zoom Virtual meetings -in the mornings between 10:00-11:30 During the week-- emails,</p>

Log on to Razkids.com  
**\*My Assignments**

Read the book:  
The Three Little Pigs.

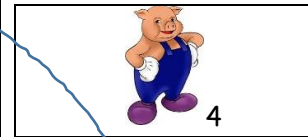

Your job is to remember  
the details in the story.

Complete the sheets  
that have these  
images:

Today you will complete  
the last sheet. It looks  
like this:

You must complete all 4  
pages for science this  
week.

practicing how  
to read a map.

Complete the  
map activity

This is a "must  
do activity"

Special  
science  
activity  
Optional but  
highly  
recommended:

To conduct  
the project,  
you will need  
special  
materials. If  
you do not  
have the  
materials that  
the project  
calls for, then  
be creative.  
Look for other  
materials

and phone  
calls.

				around your home. Experiment!!!!
